

Hi all,

My name is Manaal Mirza. I am currently a year 1 student studying Interior Design. I am standing to be elected as Fashion & Design Council President. I am eager to be a voice to such a diverse and vibrant student body. My goal is to create a positive and inclusive environment that promotes growth and creativity.

As your representative I aim:

- To collaborate with faculty to address academic concerns and promote innovative learning opportunities.
- To make everyone feel open to share their opinions and feedback.
- To regularly host student meetings to hear your concerns and feedback.
- Implement an anonymous suggestion box for those who may prefer to share their voice and opinions anonymously.
- To amplify your voice.
- Create a platform for students to share their achievements, events, and initiatives.
- To make everyone feel represented.

In order to ensure these promises are kept I will use my experience as student representative (year 1). It would be an honour to represent you and make your experience in our university better!

I am committed to representing your interests and ensuring that every student has the opportunity to thrive academically, socially, and personally. Together, let's build a stronger, more inclusive Regent's.

Thank you for your support!
